1:21cv53-HSO

CERTIFICATE OF APPEALABILITY

A final order adverse to the applicant having been filed in the captioned habeas corpus case, in which the detention complained of arises out of a proceeding pursuant to 28 U.S.C. § 2255, the Court, considering the record in this case and the requirements of 28 U.S.C. § 2253, Rule 22(b) of the Federal Rules of Appellate Procedure, and Rule 11(a) of the Rules Governing Section 2255 Proceedings for the United States District Courts, hereby finds that:

A Certificate of Appealability should not issue in this case. Jurists of reason could not conclude that the Court's dismissal on procedural grounds was debatable or incorrect, or that the petition states a valid claim of the denial of a constitutional right. *See Slack v. McDaniel*, 529 U.S. 473, 485 (2000).
